What is PMI?

Leading authority in project management
50+ years of experience in advancing the profession across the globe.

Our Mission

Through community-powered knowledge, gold-standard certifications, and career-long development, PMI empowers organizations and individuals to maximize project success in a rapidly evolving world.

A dark blue world map is centered in the background of the slide, showing the outlines of continents in a slightly lighter shade of blue.

Demand for Project Management is rising

30M project professionals

may be needed by 2035 to fill the talent gap. *(PMI 2025 Talent Gap Report)*
